POSH Training

First Screen at <https://arrtc.mccoy.army.mil/ako/wbt/index.asp>

Use AKO Log-In

The screenshot shows a Microsoft Internet Explorer window titled "topnavbar - Microsoft Internet Explorer". The address bar displays the URL "https://arrtc.mccoy.army.mil/ako/wbt/index.asp". The main content area features the ARRTC logo (a circular emblem with a star and stripes) and the text "ARRTC" in a large, stylized font, with "Army Reserve Readiness Training Center" written below it in a smaller, italicized font. A horizontal navigation bar contains several buttons: "ARRTC Home Page", "AKO Registration", "Resident Training", "Welcome Letters", "Accessibility", "Links", and "Feedback". Below this bar, a red text prompt reads: "Please use your Army Knowledge Online (AKO) user name and password to authenticate." This is followed by a blue text instruction: "If you need to establish an Army Knowledge Online account, please click on the AKO Registration button above. You may then return to this site to access the requested information." Below the instruction, a line of text states: "The authentication process may take a few moments to complete." The login section includes a "User Name:" label followed by a text input field, a "Password :" label followed by a text input field, and a "Login" button below the password field. The Windows taskbar at the bottom shows the Start button, several open applications (Inbox, Online P..., ARRTC V..., Documen...), and the system clock displaying "8:26 AM".
